

Automotive Painters (or Automotive Refinishing Technicians) prepare and paint the surface of motor vehicles to restore them to their original condition.

To learn more from an actual Automotive Painter, watch the Job Talks interview below.

5 REASONS TO BE AN AUTOMOTIVE PAINTER

- 1 Make vehicles beautiful
- 2 Apply your attention to detail
- 3 Experiment with colours and techniques
- 4 Work with your hands and special tools
- 5 Socialize with co-workers and customers

HOW TO GET STARTED
