

# 5 REASONS TO BE A TOOL AND DIE MAKER

- 1 Turn blueprints into reality
- 2 Create high precision parts
- 3 Use both computers and hand tools
- 4 Operate advanced machine technology
- 5 Do something different every day

Tool and Die Makers design, create, and repair prototypes and production tools such as dies, fixtures, and many other specialty tools using various metals, alloys, and plastics.

To learn more about Tool and Die Makers, watch the Job Talks interviews below.

## HOW TO GET STARTED
