

# 5 REASONS TO BE A TOWER CRANE OPERATOR

- 1 Put your comfort with heights to good use
- 2 Develop your hand-eye coordination
- 3 Take on major responsibilities
- 4 Be part of a team that communicates well
- 5 Travel to a new place after the job is done

**Tower Crane Operators use heavy equipment to lift and move construction materials around a work site. They control the crane by responding to hand or radio signals by a supervisor or a qualified signaler.**
