

Drive your Learning with the International Baccalaureate Programme for Grade 9-12

International Baccalaureate & Foundations

Information Night

November 25, 2019 - 6:00
at Eastside Secondary School

The Foundations and International Baccalaureate Programme provides an enriching educational environment through enhanced courses that stimulate curiosity and inquiry which fosters a spirit of discovery and an enjoyment of learning. We strive to provide excellent instruction within the classroom and through experiential learning. Go to the website to learn more: <http://www.ibo.org/benefits/>

Applications for entry to the grade 9, 10 and 11 programs will be available at this session.
